

A TOWN CENTER

ART • MUSIC • CULTURE

Dear Patron of the Arts,

A Town Center, Inc. is a 501(c) 3 not-for-profit organization, whose board of directors is dedicated to bringing the arts and education to our community.

A Town Center Inc. is a cooperative art studio, art gallery, and community art space located at 1206 Meridian Street in the Historic Diamond Building in downtown Anderson, Indiana. Our mission is to create a culture that inspires growth both economically and interpersonally through programming geared towards community engagement and artistic achievement. We want to see A Town Center and downtown Anderson continue to thrive and become known as a destination for arts and culture, specialty retail shopping, food and dining, entertainment, festivals, and special events.

We host the downtown First Friday Art Walk, Third Thursday Open Mic Poetry Night, wine and canvas events, cookies and canvas classes, Kids Art Camp, and other creative art classes taught by artists in residence and guest artists, plus movies and more.

Our artists in residence receive free studio space at A Town Center, Inc. for one year in exchange for giving back to the community in the form of art workshops, donation of gallery pieces, participation in community festivals, or leading community art and engagement projects.

We hope you will consider becoming a patron of A Town Center, Inc. We need your support to host these important programs that improve the quality of life in our community. Please take a moment to consider each of our tax-deductible patron levels.
